**Subject:** Protect Portland's industrial jobs

Hi, I seldom write public officials but I am today because I believe in clean rivers.

Portland is fortunate to have a vibrant working waterfront on the Willamette River. We need those jobs to continue to exist and even grow to supply good, living-wage work. Please make sure that the final cleanup plan does nothing to threaten the jobs that we so desperately need.

As you consider all the options, please don't support a plan that costs a lot of money and will force small companies to spend a lot on the cleanup.

Sincerely,
